

Armed & Famous Stars Help Seized Pit Bulls And Shelter Animals Find Homes

The Muncie Animal Shelter & the Unconditional Love Foundation have been working together to educate the public about Pit Bulls, dogfighting, overpopulation and proper pet care. Since the recent drug raids the shelter has been overrun with Pit Bulls, most of which are very adoptable dogs. Because these dogs are sometimes wanted for the wrong reasons Unconditional Love Foundation screens prospective owners for the Muncie Animal Shelter. Armed and Famous cast members Latoya Jackson and Trish Stratus joined in to help showcase the Pit Bulls and other adoptable animals at the Muncie Animal Shelter.
